

Name **TRANSLATION COURSE –English-Spanish-English**

Course Overview Explore the translation world with us! Our theoretical and practical training course introduces you to professional translation into and from English and Spanish.

You will learn about:

- Fundamental aspects of translation
- Standardization of terminology
- Methods and problems of translation
- Comparative stylistics and translation
- Audiovisual and advertising translation
- Translation technologies

The course is both theoretical and practical. You will learn professional techniques and procedures to apply to the translation tasks set about different topics. In class we will revise these translations both as a group and on an individual basis.

Who should attend? It is the ideal course for those who want to gain new tools to step into the translation field and develop professionally.
