**Course Development**

They are lessons of approximately 120 minutes each, in a virtual room which integrates audio, interactive board and the use of webcam for those who want to use it.

You will be interacting with your classmates and tutor, being able to ask any questions along the course

The time is set. You choose the one convenient to you.

The lessons deal with all the different parts and exercises in the exam, and you will get valuable feedback on your performance along the course and your written work.

There are mock exams to assess the level of each student and advise them whether they are at the right level to sit for the exam or they need extra practice.

**Assessment**

IELTS mock exams are given to students throughout the course. Students are informed about their scores and get advice for the exam

**Certificates awarded**

You will receive a Statement of Completion for you to save and print.

This will show that you have successfully completed the preparation for the exam.

It will also state your level of English according to the CEFR (Common European Framework of Reference) which sets international standards for the different languages.
